A triangular bit of land, measuring 2329 square yards, in front of the Government Weaving Factory in the New Bamboo Bazaar, Bangalore City, was granted to the Majles-e-Millia Islamia Association, Bangalore City, for constructing a Musjid, in lieu of compensation due for land and structures acquired from them

3) On the Secretary of the Jamia Mosque & Muslim Charitable Fund Trust, Bangalore City, requesting the grant of the site ~~west~~ to the west of the Silver Jubilee Park free of cost, the Municipal Council passed the following Resolution -

" The vacant site to the west of the Jubilee Park be reserved for them in exchange for the land already granted for the purpose, provided that arrangements are made to continue the present new road to the north of the Mosque to meet the Avenue Road and that the new land be given to them after they collect at least Rs 30,000 etc "

4) In their letter dated 17-6-1937, Government approved generally of the conditions laid down in the resolution of the Municipal Council with the modification that the Mosque authorities or others interested in the scheme should undertake to spend a lakh of rupees on the proposed building and collect a sum of at least Rs 50,000 towards this object

5) As regards the other side which was originally meant for the construction of the Mosque, but which is now proposed by the Mosque authorities to be utilised for the construction of shops for the benefit of the Mosque, Government considered that the Mosque authorities may be permitted to retain possession of the site in question if they are prepared to pay its value The present resolution is to give even the original site free of cost

6) I think this resolution is premature The new site has not yet been given to the Mosque in exchange for the old site It is only reserved for them and will be given to them only if they have collected Rs 50,000 with the prospect of putting up a building costing a lakh of Rupees Until then they are entitled to keep the old triangular site without paying anything for it It is only when the new site is granted to them that the question has ~~got~~ to be considered whether they have got to pay the price for the old site as already ordered by Government or whether they may be permitted to retain possession of the old site also free as now resolved by the Municipal Council

7) A letter in this form may be addressed to me Commissioner, if approved, on reply to this reference
